

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**

**Monitoring requirements not met for**

**Midland PSD WV 3304208**

We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. Between 1/1/2022 and 12/31/2024, we failed to submit the required samples as indicated below and therefore cannot be sure of the quality of our drinking water during that time.

**What should I do?**

*There is nothing you need to do at this time.*

**The table below lists the required monitoring and compliance period.**

<u>Required Monitoring</u>	<u>Compliance Period</u>
52, FOLLOW-UP OR ROUTINE TAP M/R (LCR) LEAD & COPPER RULE Lead & Copper Sample Results Not Reported as Required	1/1/2022 to 12/31/2024

**What happened? What is being done?**

Midland PSD submitted Lead and Copper samples on 7/19/2022, according to its approved sample plan. All of the samples tested good. Several samples locations had to be listed as changed, due to 911 address changes, although the actual location did not change. The address changes were reviewed and approved by the WV DHHR/ BPH on 9/5/2022. Midland PSD was contacted, by WV DHHR/BPH, on 11/12/2024 and asked to contact the lab from 2022 and request that they change the lab report. Midland PSD declined to make this request, as the original report had been approved in 2022 and felt it was inappropriate to ask a lab to alter an approved report after the fact.. This violation was issued due to Midland PSD failing to have the lab report altered.

Midland PSD will continue to complete water quality testing and reporting according to the WV DHHR/BPH schedule

For more information, please contact Ron Vance at (304) 636-1431 or Midland PSD, P.O. Box 544, Elkins, WV 26241.

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
